Outra

## 5- Clique em “Adicionar Conta de E-mail”

6- Coloque seu nome, email e senha.  
E depois clique em "Seguinte"

The image shows a screenshot of an iPhone's 'Nova Conta' (New Account) registration screen. At the top, there is a navigation bar with three buttons: 'Cancelar' (Cancel), 'Nova Conta' (New Account), and 'Seguinte' (Next). Below the navigation bar, there are four text input fields. The first field is labeled 'Nome' (Name) and contains the text 'Edson'. The second field is labeled 'E-mail' (Email) and contains 'contato@' followed by a truncated domain '.C...'. The third field is labeled 'Senha' (Password) and is currently empty. The fourth field is labeled 'Descrição' (Description) and contains '.com.br'. The bottom portion of the screen is a large, empty light gray area.

Nome	Edson
E-mail	contato@ .C...
Senha	
Descrição	.com.br

**7- Coloque novamente seu nome, email e senha.**

No “Servidor de Correio de Entrada” coloque: **imap.uni5.net**

No “Servidor de Correio de Saída” coloque: **smtp.uni5.net**

The screenshot shows an iPhone interface with a status bar at the top displaying signal strength, Wi-Fi, time (17:17), moon phase, alarm, and 74% battery. The main content area is titled "Verificando" with a loading spinner icon. Below this, there are three input fields for account information: "Nome" (Edson), "E-mail" (contato@), and "Descrição" (.com.br). A section header "SERVIDOR DE CORREIO DE ENTRADA" is followed by three fields: "Nome do Host" (imap.uni5.net), "Nome de Usuário" (contato@), and "Senha". Another section header "SERVIDOR DE CORREIO DE SAÍDA" is followed by three fields: "Nome do Host" (smtp.uni5.net), "Nome de Usuário" (contato@), and "Senha".

## 8- Clique em "Salvar"
